Covington attended about 20 cases and was himself sick with the (Br) Brig Essex, Smith sld Jan 26 varioloid. During the continuance of German Barque Berths, Shwartz, the disease, which was confined to o: e locality, he remained faithfully at his post, and did not return to his family | Essex, Smith. until the disease had disappeared. The Doctor, we understand, has rendered Fraw, Anderson, a bill to the County Commissioners for \$500, which is considered little enough. Brig J M Burrus, Wilson, sld Jan 31

LOCAL INTELLIGENCE.

Carolina Fertilizer. See advertisement of Messrs. De-Rosset & Co., State Agents, entitled "Carolina Fertilizer Triumphant," it being the result of experiments made by Capt. J. R. Thigpen, of Edgecombe, with various fertilizers, as taken from the State Agricultural

Sale of the W., C. & R. H R. The Robesonian says: On Saturday last, the Sheriff of this county proceeded to sell at public auction, for cash, that part of the Wilmington, Charlotte and Rutherford Railroad 'lying and being" in the county of Robeson, to satisfy an execution in his hands in favor of J. Y. Brice & Co., of Charlotte. Junius Davis, Esq., of Wilmington, became the purchaser as 15 00 attorney for J. Y. Bean, at \$20.

Served Him Right. We learn that, a few days since, as one of the passenger trains of the W., C. & R. R. was coming down, and within twenty-five miles of this city, teness, ditches, stock of all kinds, mode of a brick-bat was thrown into one of the on tivation, and everything in reference to cars, breaking a window glass and the convenience and comfort of a family striking near the head of one of the Willard Bros. passengers. The conductor, seeing the plied, the train stopped, and ran back for W. C & A R R Co. to the place where the brick was thrown. A boy, who had thrown the missile, was recognized, arrested and placed on the train, where he was | both City, Williams & Murchison. furnished transportation free of charge for several miles, and put off, after a | City, Binford, Crow & Co. sound thrasking, in a swamp, and allowed to depart in peace.

Judge Onderdonk Robbed. We regret to learn, as we do from a Col. S. L. Fremont, that Hon. H. G. Onderdonk, Receiver of the W., C. & R. R. R., was beset yesterday, in Baltimore, at the Washington Depot of the Baltimore & Ohio Railroad, by a gang of pick-pockets, and robbed of \$100,000 in notes, checks and coupons, planting, the kind of seed used the man- and about \$100 in cash. The Judge is waiting in Baltimore to interview the of manute used, and the cost of the same. police and to stop the payment of the delphia, Harriss & Howell, mode of application, together with all the checks and notes. We sincerely trust that he may succeed in recovering the stolen property.

TERRIBLE ACCIDENT.

A Woman Burned to Death. Sunday night, about 1 o'clock, a colat or before the July meeting, and pay five ored woman by the name of Rebecca dollars output to the fronsorer at the Roberts, residing on Market, between Tenth and Eleventh streets, while sleeping in a chair before the fire, accidently ignited her clothing, and before assistance could be rendered was burned so badly that she died almost instantly. At the time of the accident her two sons were sleeping in an adjoining room, but before they could render any assistance, the fiames had entirely devoured her clothing. This is the second instance of the kind bbls rosin, 22 balcs yarn, 200 lighters, which has occurred in our city within | 15 tons old iron, 5,500 feet lumber, 7 lett held an inquest over the body pkgs mdse, 6 bales rags. yesterday, and rendered a verdict that the deceased came to her death by . \$10 00 accidental burning.

CAROLINA FERTILIZER TRIUMPHANT!

RESULTS OF Experiments with Fertilizers, on the Crop of 1872, By Capt. J. R. Thigpen, of Edgecombe,

EDITOR OF THE "STATE AGRICULTURAL JOURNAL." The following Figures are taken from the State Agricultural Journal March 1st, 1873:

NAMES OF FERTILIZERS. NAVASSA EIIWAN
PATAPSOU
BOWEN & MERCER
GILHAWS 18.27 ½ 180 5.40 2.97 ½ 1°.50 180 4.50 12.00 4.50 180 1.65 3.75 180 5.85 LISH HORNER MARYLAND ... The Fertilizers were carefully weighed and distributed under the immediate entervision of capt. Thigpen, on unimproved soil, adapted to Cotton, and as near the same fertility as could be selected, and the picking and weighing of the cotton c refully attended to by him.

The price named for the CAROLINA was "time price," while that of others was in some than the cotton of the CAROLINA as above neturity less than

This result is highly satisfactory to the Proprietors of the CAROLINA PERTILIZER, which is new offered through our Local Agents at \$48, Cash, and \$53 payable November De ROSSET & CO., State Agents.

Three very Superior Articles are offered by the Sulphurio Acid and Super-

phosphate Company of Charleston, S. C., viz: ETIWAN GUANO.

A complete manure adapted to Cotton, Grain and Tobacco, being the well known article is retofore offered at the very high grade of 18 per cent. discoved Bone Phosphate of Lime, with he addition, as heretofore of Peruvian Guano, Ammonia and Potash. Price \$55 per ton, if said on or before the 1st of April next, and \$60 per ton, payable 1st November, 1:73, without

A new article of about the same high grade of Saluble Phosphate, campaunded with the cloments of Cotton Seed in such a manner as to ensure one of the best fertilizers for Cotton and Grain, at a lower price than the Etiwan Guano. Price \$40 per ton, if paid on or before the lat of April next; \$15 per ton, payable 1st November, 1873, without interest.

ETIWAN DISSOLVED BONE.

Averaging from 22 to 24 per cest, of D'solved Bone Phosphate, and thus enabling the planter, by composting, to obtain two tons of hair that grade at a saving of one hair cut of freight. Price \$35 per ton, it paid on or before the 1st of April next; \$40 per ton, payable 1st November, 1873, without interest. TAKE NOTICE that all these fortillzers are of the highest grade of Sciulte Photphate, and
